CSU The California State University INTERNATIONAL PROGRAMS

Required Courses and Units for CSU IP Participants for 2022-23 and 2023

CSU students accepted to the CSU International Programs are required to take various courses as indicated in the table below.
Required courses and units are organized by semester, country, study center and academic track (study area).
Required language courses may constitute one or more courses which must be taken in the term under which the requirement appears.
All students are required to take an equivalent minimum of 15 CSU semester units each semester unless stated otherwise in the Academic Bulletin.
To access specific course and program requirements, refer to the Academic Bulletin for the study center by clicking on the hyperlink below.
Semester only programs are not available at all study centers. Where semester programs are available, semester students will be required to take courses as listed in the table below.
Exceptions to requirements below must be approved by the CSU IP Office. Requests for exceptions are sent to ipacademics@calstate.edu.
