2019-2020 PROGRAM BUDGET ESTIMATES

The Budget Estimates below are based on 2018-2019 Program Cost Estimates and do not include personal travel and entertainment. These estimates are subject to change due to currency exchange rate fluctuations and inflations. Prospective students should use the estimates for planning purposes only. Students will receive and updated statement of costs upon acceptance to the program.

The California State University makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).
