

The background image shows a vast colony of penguins, likely African penguins, on a sandy beach. In the foreground, many penguins are resting on the sand, some sitting and some lying down. In the middle ground, a group of penguins is standing near the water's edge. The background features large, dark, moss-covered rocks and waves crashing against them, creating white foam. The sky is a clear, vibrant blue.

# MODERN APPLICATION

## Online application

 Recommendation: Faculty recommendation required

### Academic Area of Study

#### 1) Area of Study (REQUIRED)

Note the area of study that you wish to focus on while abroad below. Refer to the areas of study listed on the [CSU IP Website](#) for the program you are applying to. Use the example statements below to complete the questionnaire. Do **NOT** forget to edit your specific area of study if you copy and paste the statements below. We encourage you to customize the statement highlight your academic plan while abroad. Examples: Biology (Major) - While abroad I hope to study my major, focusing on Molecular Biology. There are several excellent courses which can directly apply to my major offered on this program. Literature (Minor) - While abroad I hope to study my minor, focusing on British Literature. There are several excellent courses which can directly apply to my minor offered on this program. General Education Courses - While abroad I hope to focus on completing my General Education requirements. There are a variety courses which can further my degree progress.
