2017-2018 PROGRAM BUDGET ESTIMATES

The Budget Estimates below are based on 2016-2017 Program Cost Estimates and do not include personal travel and entertainment. These estimates are subject to change due to currency exchange rate fluctuations and inflations. Prospective students should use the estimates for planning purposes only. Students will receive an updated statement of costs upon acceptance to the program.

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate.
